

Curriculum Vitae

Peter B. Gammeltoft, M.Sc., Ph.D.

EMPLOYMENT

- 2007-** **Associate Professor, Department of International Economics and Management (INT), Copenhagen Business School (CBS)**
- Affiliated with CBS 'Center for International Business and Innovation' and 'Asia Research Centre'
- 2003-** **Assistant Professor, Department of International Economics and Management and Department of Intercultural Communication and Management, Copenhagen Business School**
- *Inter alia* working on a post doctoral research project concerning internationalisation of R&D in the software industry, with particular focus on China
- 2002-2003** **Research Fellow, the IKE group, Department of Business Studies, Ålborg University**
- Working on two projects: (a) a comparative study of innovation systems in small developed economies in Asia and Europe, financed by the European Science Foundation; and (b) start-up of the "The Global Network for the Economics of Learning, Innovation, and Competence Building Systems" (www.globelics.org)
- 2002** **Adjunct Lecturer (ekstern lektor), Department of Intercultural Communication and Management, Copenhagen Business School**
- 2002** **Guest researcher, Nordic Institute for Asian Studies**
- 2000-2002** **Researcher, Centre for Development Research, Copenhagen**
- 1997-2000** **Department of Geography and International Development Studies, Roskilde University**
- Various teaching, supervision, and administrative assignments
- 1995-1996** **Andersen Consulting (Accenture), Copenhagen**
- Senior consultant; subproject leader on healthcare systems development project in Denmark (telemedicine, telecommunications); instructor at Andersen Consulting's school in Chicago (professionalism, team work, systems development (inter alia CASE tools)); one-year engagement developing, implementing and integrating healthcare systems in Norway; organisational development project ("business process reengineering") in major Danish financial institution
- 1986-1994** **Student engagements**
- Various student engagements as research assistant and university instructor, *e.g.* an engagement as research assistant on an evaluation of one of the pioneer Danish telecentre projects in the late 1980s; assistant on different projects at the Institute of Local Government Studies ("Amternes og Kommunernes Forskningsinstitut"); instructor in quantitative methodology at the Institute of Political Science, University of Copenhagen; and assistant on different projects at the Institute of Cultural Sociology

TRAINING

- 2003-2006** **Assistant Professor training programme, Copenhagen Business School**
- 1997-2001** **Ph.D., Department of Geography and International Development Studies, Roskilde University**
- Ph.D. from the Department of Geography and International Development Studies, Roskilde University, Denmark, enrolled in the programme 'Political and Cultural Institutions in Development'. The dissertation concerned development of technological capabilities in the Asian electronics industry, with specific focus on local Indonesian electronics manufacturers. The project included design, implementation and analyses of a country-wide industry survey, combining quantitative and qualitative data and techniques. Examiners recommended graduation *cum laude* (not used in Denmark, however)
- 1986-1994** **Master in computer science and political science, Copenhagen University**
- MSc in computer science, University of Copenhagen, Denmark. (Thesis concerning "Computer Supported Cooperative Work" (CSCW) and organisational analysis)

- Minor in political science, University of Copenhagen, Denmark. (Principal assignment concerning technology diffusion and use in peripheral communities)

1985 High school graduate, mathematics/physics

GRANTS AND SCHOLARSHIPS

- Conference grants for convening the international conference "Emerging Multinationals": Outward Foreign Direct Investment from Emerging and Developing Economies', 9-10 October, Copenhagen Business School. Grants from the Danish Social Science Research Council (FSE), Knud Højgaards Fond and Hedorfs Fond.
- Research grant, 'Outward Investment from China and Development: the case of manufacturing investments in Indonesia', Danish Social Science Research Council (FSE), 2007/2008.
- Post doctoral scholarship, 'Upgrading in the Traded Software Industry: industrial organisation between local states and global markets', Danish Social Science Research Council (SSF), 2003-2005.
- Travel grant to Indonesia from the Nordic Institute of Asian Studies (NIAS) (spring 2002).
- Ph.D. scholarship, Danish Council for Development Research (RUF), 1997-2000.

TEACHING/SUPERVISION

(list not exhaustive)

COURSES DEVELOPED, COORDINATED, AND TAUGHT

- Master elective (cand.merc.) 'Managing Innovation in Multinational Enterprises' (U90)
- Master elective (cand.merc.) 'Science, Technology, and Innovation in Emerging Markets' (U60)
- Bachelor elective 'Innovation in Emerging Markets' (HE81)

COURSES COORDINATED AND TAUGHT

- MBA and master elective 'Internship in International Entrepreneurship' (CMI-III)
- Master elective, CEMS, 'Managing Knowledge and Diversity – An MNC perspective' (CEMK)
- Bachelor core course, International Business programme, 'International Business Environment' (HA1IBE)
- Asian Studies Programme 'Interdisciplinary Research Methods 3'

COURSES LECTURED

- Master core course, International Business programme, 'International Business Environment' (IB25)

Bachelor core course, 'Business, Language and Culture' programme, 'International Business and Management' (IBM)
Master elective 'Analysing and understanding the multinational corporation' (U85)
Master elective 'Global Issues for Asian Management' (GIAM)
Master elective 'Business Strategies for Asia Pacific' (U67)
Master programme 'Business and Development Studies', various lectures on economic development, innovation (systems), international business, international trade and investment
Business Economics, HA(kom.), 5th semester
HA(kom.), 3rd semester

SUPERVISION

Supervised a multitude of projects in different programmes and at all academic levels.

CENSOR

Censor in a multitude of programmes at all academic levels.

1997-2000, Roskilde University: Various teaching and supervision assignments, with emphasis on development theory, economic development, Asia, and quantitative and qualitative research methodology.

1995-1996, Accenture: teaching systems development, teamwork, and professionalism at Accenture's academy in Chicago; various user training courses.

MEMBER OF EDITORIAL BOARD

International Journal of Technology and Globalisation; Asian Journal of Technology Innovation; Copenhagen Journal of Asian Studies; International Journal of Technological Learning, Innovation and Development; International Journal of Institutions and Economies

REVIEWER

Industrial and Corporate Change; Technovation; International Journal of Technology Management; Innovation: Management, Policy and Practice; International Journal of Technology and Globalisation; Copenhagen Journal of Asian Studies; The European Journal of Development Research; Telematics and Informatics; book projects and reviewer on conferences

CONSULTANCIES AND EXPERT GROUPS

EU Expert Group 'ERA Opening to the World': member (Rapporteur) of expert group set up by the European Commission to advice on the design and implementation of Community research policy on the European Research Area, 2007-2008.

Gammeltoft, Peter (2002): *Remittances and Other Financial Flows to Developing Countries*. Expert Working Paper, economic analyses of migrants' remittances, aid, and other financial flows, commissioned by the Danish Ministry of Foreign Affairs, CDR, May.

Blom, Astrid and Peter Gammeltoft (2000): *Background desk study on Indonesia*. Draft country strategy for the Danish Ministry of Foreign Affairs, October (current and historical economic, political and social affairs; aid issues; in-depth on specific economic sectors).

Contributed a section on issues related to ICT development to a proposal submitted by PLS/Rambøll and the Danish IT-company Metrocomia to SIDA on an internationally tendered project concerning development of a national ICT strategy for Sri Lanka for which I was the designated project leader (spring 2002).

RESEARCH COUNCIL EVALUATOR

Evaluator on research proposals submitted to: Faroese Research Council (2007), Department for International Development/Economic and Social Research Council (U.K.) (2007); Research Council of Norway (2005), Danish Ministry of Foreign Affairs' Council for Development Research (2003)

CONFERENCE ORGANISATION AND KEYNOTE ADDRESSES

CONFERENCE ORGANISATION

Member of Scientific Committee, The 7th Globelics International Conference, 'Inclusive Growth, Innovation and Technological Change: education, social capital and sustainable development', 6-8 October 2009, Dakar, Senegal. Convenor, "'Emerging Multinationals": Outward Foreign Direct Investment from Emerging and Developing Economies', 9-10 October 2008, Copenhagen Business School.

Member of Scientific Committee, The 6th Globelics International Conference, 'New insights for understanding innovation and competence building for sustainable development and social justice', 22-24 September 2008, Universidad Autonoma Metropolitana (UAM), Mexico City.

Member of International Organising Committee, 1st, 2nd, 3rd, and 4th Asialics International Conference, in Thailand (NSTDA), South Korea (STEPI), Shanghai (Tongji University), and Malaysia (University of Malaya).

Member of Scientific Advisory Committee, The 3rd Globelics International Conference, 'Innovation systems promoting economic growth, social cohesion and good governance', 31 October – 4 November 2005, Pretoria, South Africa.

Arranged seminar at Centre for Strategic and International Studies (CSIS), Jakarta, based on the findings from my PhD project, 9 August 2001. Participants: local and foreign academics, UNIDO, USAID, Indonesian Ministry of Industry and Trade, major local and foreign electronics manufacturers, business and popular press.

Arranged seminar on Indonesian economic history (speaker: Dr. Thee Kian Wie) at Centre for Development Research, Copenhagen, June 2001.

Arranged seminar on the Asian financial crisis' impact on Indonesia (speaker: Prof. Hal Hill) at Centre for Development Research, Copenhagen, August 2000.

Arranged seminar on National Innovation Systems (speakers: Prof. B.-Å. Lundvall and a group of PhD students) at Centre for Development Research, Copenhagen, November 1999.

KEYNOTE ADDRESSES

Panel speaker on 'The challenges of the STI policy mix : How to solve the trade-off between different goals – catching up to international best practices and attending to social needs' at the 6th Globelics International Conference, Universidad Autonoma Metropolitana (UAM), Mexico City.

Plenary presentation of summary from Parallel Session 9, 'International Cooperation', at the high-level Conference on "The Future of Science and Technology in Europe", 8-10 October, Gulbenkian Foundation Conference Centre, Lisbon, Portugal, <http://ec.europa.eu/research/conferences/2007/fst/>

'Innovation Systems in Asian Economies', conference co-arranged by National Science and Technology Development Agency (NSTDA), Thailand and Japan International Cooperation Agency (JICA), Bangkok 4-5 September 2003 (on behalf of Prof. Bengt-Åke Lundvall).

'Education and Capacity Building in the Information Society' (workshop facilitator). Conference arranged by Danish United Nations Association, Copenhagen, 21. August 2003.

'ICT and Poverty Reduction: Where are the Possibilities and Pitfalls?' Conference co-arranged by UNDP and "Mellemfolkeligt Samvirke". Copenhagen, 12 April 2002.

'The Indonesian Electronics Industry: Dual or Segmented?' Seminar co-arranged by Centre for Strategic and International Studies (CSIS), Jakarta and myself. CSIS, Jakarta, 9 August 2001.

THEMATIC SPECIALISATION

International business; emerging economies; innovation and entrepreneurship; high-tech industries; economic and technical change; economic globalisation; international development and aid; political economy; trade regulation; information and communication technology (ICT) and development; surveys, statistical analyses.

GEOGRAPHIC SPECIALISATION

East Asia, Denmark, EU, Indonesia, China, Guinea, West Africa.

KEY QUALIFICATIONS

Social science and technical research (basic and applied); economic and statistical analysis; research design and implementation; ICT systems development; strategy development, analysis, design; academic, professional as well as popular writing; academic and professional editing.

VISITING RESEARCH FELLOW

Tsinghua University, Department of Technology Economics and Management, Beijing, various periods

Centre for Strategic and International Studies (CSIS), Jakarta, various periods

"The Indonesia Project", Research School of Pacific and Asian Studies (RSPAS), Australian National University (ANU) March to May 1999.

Institute for Economic and Social Research (LPEM), University of Indonesia, various periods

Ph.D. field work in Indonesia: May-Aug 1997; Apr-Aug 1998; Feb-Aug 1999.

COURSES TAKEN

(List not complete)

Support to Micro Finance Activities in Developing Countries. Danida Training Course. 22-23 April, 2002.

OTHER PUBLICATIONS

(2003): *Ceci n'est pas un projet de Linux*. Website of Scania/Sealand Linux User Group (http://www.sslug.dk/artikler/Open_Source_for_alle_lande.html).
