| Practical information | |
| Internet access at CBS | CBS offers access to wireless network: CBS-WLAN. This does not require the installation of extra software. Just choose the network and authenticate yourself with the conference username and password that will be provided in the booklet that you will receive upon your arrival. |
| Presentations | If your presentation is PowerPoint based, CBS offers access to computers and projectors in the rooms where the sessions take place. You will just have to bring your presentation on a USB-key. |
| Conference dinner | The conference dinner will take place at Restaurant Spiseloppen in Freetown Christiania. Prior to the dinner it will be possible to take a guided tour of the Freetown and get a look at the unique community. |

| | |
|--|---|
| | <p>Freetown Christiania is a self-proclaimed self-sustaining, autonomous community. It has been a stronghold for the hippie movement, the squatter movement, collectivism and anarchism in Denmark. Today it is one of the most well-known tourist attractions in Copenhagen.</p> <p>If you are interested in exploring this unique environment we will meet at Christiania two hours before the conference dinner where one of the locals will be our guide.</p> |
|--|---|
