Talentia Fellowship Programme

Junta de Andalucía – Regional Ministry of Economy, Innovation and Science – General Secretariat for Universities, Research and Technology

What is Talentia?

Talentia Fellowship Programme is an initiative by the Andalusian Ministry of Economy, Innovation and Science that provides **postgraduate fellowships** to students from Andalusia allowing them to take Masters, PhD and short non-degree programmes in the world most reputed academic institutions.

How are the Talentia fellows?

Talentia fellowships are addressed to university graduates with **outstanding intellectual and human excellence**, an **international profile** and **commitment** to the development of Andalucía.

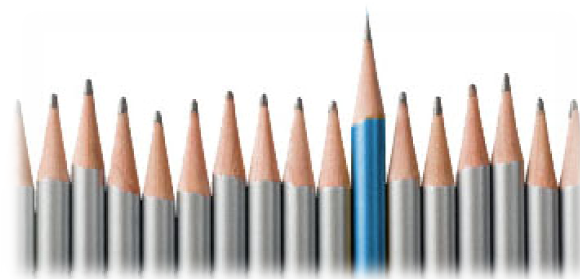

What does the Talentia Fellowship include?

- Full tuition fees
- Monthly allowance up to 1.700 euro/month
- Return flights to Andalucía every 8 months
- 1.000 euro for initial expenses

The average package mounts to **over 42.000 euro**.

What does Talentia offer?

- **Guidance and advice** to candidates in their selection of programme and the admission process universities and business schools.
- The **economic incentive** to sustain the fellow for a maximum of two academic years.
- Assistance to develop and implement a **return plan** in order to put into practice in Andalucía the knowledge acquired in the world most renowned academic institutions.
- **Connections** with entrepreneurs, venture capitalists, research institutions and companies to develop a successful career in Andalucía.

What does Talentia require?

Fellows commit to develop their careers in **connection with Andalucía** during 4 out of the 6 years following completion of their programmes.

What are the priorities for Talentia?

Andalucía is especially interested in training specialists in the following areas:

- International Management and Economics
- Aeronautics and Space
- Nutrition, Food and Agriculture Technology
- Care for Dependency and its Technology
- Protection of Artistic and Cultural Heritage
- Renewable Energies
- Nanoscience and Instruments
- Natural Resources and Biodiversity
- Information and Communication Technologies
- Transport and Mobility
- Tourism, Leisure and Sports

What is the commitment with Talentia?

The Government of Andalucía has committed over **16 million euro to 383 fellowships** since 2007. A new call will be launched in spring 2011.
