Ph.D. Workshop on Public Procurement in China

Central University of Finance and Economics (CUFE) is the member of the EU Asia Inter-University Network for Teaching and Research in Public Procurement Regulation (Asia-ink project), funded by the EU. This project is to contribute to teaching and research of public procurement regulation in higher education and to enhance the communication in global trade through deepening EU's understanding of public procurement in Asia.

CUFE now announces that it will host *Ph.D. Workshop on Public Procurement in China* in early June, 2010 in Beijing. The outcomes of this workshop will develop the theoretical research on Public Procurement in China, promote the teaching and research of Public Procurement Regulation, and upgrade the quality of the personnel cultivation in Public Procurement Regulation in China.

The Ph.D. candidates in the field relating to Public Procurement Regulation in Universities and Research Centers in China, leaders in the relevant authorities, experts in the pragmatic field, and the experts and scholars in the research centers at Universities will be invited to attend the workshop.
