

Application procedure

The Secretariat of Private Scholarships does not have an online application system. Unless a scholarship is announced with specific application instructions, the following application procedure must therefore be used when applying for a scholarship.

1. The application must be sent via e-mail : legat@cbs.dk
2. All materials related to the application must be sent in a joint pdf-file (i.e. application scheme, if required, + motivation letter + budget + various supplements and other documentation which mentioned in the announcement).
3. The e-mail subject line must contain the applicants name and the name of the scholarship.
4. The application deadline is 11.59 PM on the indicated application deadline date.

For an application to be considered, it must comply with all of the above rules.
