IESA - Instituto de Estudios Superiores de Administracion	Venezuela	3	x	x		x					4	225	75				

OBS: Der er i enkelte tilfælde tvivl om, hvorvidt navnet på skolen er det rigtige - f.eks. Ross School of Business, Uni of Michigan Ann Arbor = University of Michigan?

EQUIS:

110 skoler i 32 lande er akkrediterede.
Skoler akkrediteret før 2006 er markeret med "x", mens skoler (re)akkrediteret efter 2006 har fået enten 3 eller 5 år, hvilket fremgår af tabellen.

CEMS:

Den bedste business school i hvert land. Der er 17 "fulde" medlemmer -mærket med "x" og 11 associerede medlemmer - mærket med "(x)". Dertil 54 corporate members.

LRP:

"Global Contests in the Production of Business Knowledge", Long Range Planning 41, (2008)
Baseret på over 65.000 artikler skrevet af mere end 54.000 forfattere fra mere end 8.000 institutioner i 1992-2005.
De to søjler er hhv. placering blandt alle i verden og blandt "øvrige verden" - dvs alle andre lande end USA.
* Vlericks LRP-ranking vedrører University of Ghent, som ikke er Vlerick, men et af deres to "mother universities"
* NHs LRP-ranking vedrører University of Bergen, som ikke har en business school?

International Business Review (artikel i nr 15/2006 af KC Chan et al)

Baseret på 10 års publikationsdata (1995-2004) i fire ledende international business-tidsskrifter undersøges globale mønstre.
Undersøgelsen omfatter ranking af de 25 top-skoler inden for IB-publicering i perioden 1995-1999, 2000-2004 og den samlede periode. (OBS: når der er tal over 25, er det fordi de 25 refererer til den samlede periode)
Tallene, der er nævnt i tabellen, er publiceringen i 2000-2004, da det er de nyeste tal.
* Er University of Michigan = University of Michigan Ann Arbor ?

Eduniversal (en del af det franske konsulentfirma SMBG):

Palmer: Der uddeles mellem 0 og 5 palmer. Der er af en videnskabelig komité udvalgt 1000 skoler i mere end 150 lande baseret på elektroniske og trykte kilder.
5 palmer: "Universal business schools with major international influence." 4 palmer: "Top BS internationally known." 3 palmer: "Excellent BS, nationally strong and/or with continental links."
Points: 1000 dekaner for business schools har peget på de(n) business schools i hvert land, de ville anbefale. Der svares kun ud fra kendskab til skoler/land. Man kan højst anbefale 50% af skolerne i et land.
Bemærk, at der derfor ikke kan sammenlignes umiddelbart på tværs af lande. Der er, som det fremgår, ikke altid sammenhæng mellem antal palmer og points.
(SDU fik 3 palmer og 79 points)

Beyond Grey Pinstripes 2007-2008

Udarbejdes af Aspen Institute. Innovative full-time MBA-programmer, der vægter CSR og miljø i curriculum. Der er krav til USA-skoler om AACSB-akkreditering som forudsætning.
Kun ca. 1/2 af de 100 udvalgte skoler er med på denne oversigt. Der er mange meget små skoler, og skoler med en enkelt specialiseret MBA (f.eks. HEC Geneve med en tilpasset internationale NGOer).

FT Global MBA Rankings 2008

FT European Business School ranking 2007

FT EMBA Ranking 2007

Skolens ranking er for egen uddannelse - ikke fællesuddannelser.
