

Application form – CBS Competitiveness Platform

Please read the short paragraph in the individual boxes to make sure you meet all the criteria. Please make the Competitiveness angle explicit in the project title and throughout the application.

Upon termination, initiatives supported by the Competitiveness Platform are required to submit a short report documenting project activities and deliverables. When relevant, i.e. in relation to a workshop, conference, and fieldwork, we ask you to submit 5-10 high-resolution pictures documenting your activities.

The report may be published in the Competitiveness Platform's newsletter, CBS Competitiveness. You will be notified if so.

The application should be *no more* than 5 pages.

A. General Info about applicant(s) and the project.

Name(s) of applicant(s)	
Which department or organization are you affiliated with?	
Name of the project or activities	
Amount of funding applied for	
Date of application	

B. People and departments involved - inside and outside of CBS.

As the Competitiveness Platform seeks to facilitate co-operation across departments and organizations at CBS, the activities *should* involve participants from a minimum of two departments at CBS.

Please list people and CBS departments, as well as external organizations involved in the project	
---	--

C. Activities

Please state the relevance and importance of the activity to the Competitiveness Platform i.e. in terms of research, teaching, and out-reach activities.	
--	--

D. List of deliverables

We request you to make a final report once the activity has been completed. Please list the deliverables in bullets:	
--	--

E. Budget and timeline

Please enclose your budget draft, either written in this box or attached as a document	
--	--

F. Other funding

Please state if you have applied for full or partly funding from other sources than the Competitiveness Platform and please state the amount.	
---	--
