MISQ Reviewing workshop, *International Conference on Information Systems*, Munich, GE, December 2019.

Paper discussions at *KIN Centre for Digital Innovation's Summer School, Vrije Universiteit Amsterdam*, Amsterdam, NE, June 2019.

Doctoral Consortium, Reviewing workshop with Edgar Whitley, and Theory Writing workshop with Nik Rushdi Hassan, *European Conference on Information Systems*, Stockholm, SE June 2019.

JAIS theory development workshop, *International Conference on Information Systems*, San Francisco, US, December 2018.

Paper Development Workshop with Professor Michael Myers, *Loughborough University*, Loughborough, EN, November 2018.

Service

Ad-hoc Reviewer

Information Systems Journal (ISJ), Electronic Commerce Research and Application, International Conference on Information Systems (ICIS), European Conference on Information Systems (ECIS), Americas Conference on Information Systems (AMCIS), Hawaii International Conference on Systems Sciences (HICSS).

University and Department contributions

Founding board member of *PhD Association of Copenhagen Business School (PAC)* 2019 – 2020
PAC's purpose is to advocate for the quality of education, professional development, and the welfare and political interests of PhD students at Copenhagen Business School. With these departing values, I contributed to the institutionalization of the association with the development of its statutes

and strategic decisions for its positioning at CBS. Further, I contributed to driving the association involvement in the development of PhD education at CBS with the coordination of PhD courses driven by the association.

PhD group Representative, Department of Digitalization, Copenhagen Business School 2018 – 2019

I contributed to the department's PhD education by supporting discourse practices among PhD fellows, and with the development of research at CBS that outlines the need of such practices.

Funding

Funded Research Projects

Payments Innovation. *SWIFT institute* (15000 EUR), with Jonas Hedman and Michel Avital, 2018.

Other Funding

Participation at the International Conference on Information Systems, *Otto Mønsted Fond* (1000 USD), 2019.

Participation at the International Conference on Information Systems, *Otto Mønsted Fond* (1000 USD), 2018.

Other Activates

Member of the Association of Information Systems (AIS).

Member of the Academy of Management (AoM).

Finance and IT Management at a cross-border payment start up, 2013 – 2015

I managed and co-developed the organisation's IT and Finance departments, which supported the creation of a payment network formed of 20 partners in over 50 countries and with more than 100,000 paying locations. The company started operations in the last quarter of 2014 and for its first trading year reached a volume of 5 million USD.

Salsa Dancer 2009 – Present.

Currently, I am teaching in Denmark and training to continue competing and sharing Cali/Colombian Salsa dancing. I have taught Salsa dancing to kids and adults in Colombia and the United Kingdom, and I have competed at World Salsa Championships.

Referees

Referees' contact details are available upon request.
