

# AOL - ASSURANCE OF LEARNING

AT CBS, WE CONTINUOUSLY WORK TO IMPROVE OUR QUALITY.

One of the ways is to take a closer look at the learning goals in the bachelor project and the master thesis and see how well the students live up to the requirements.

You are kindly asked to assess the students' performance on a 4-point scale (Above expectations, meet expectations, below expectations, not at all).

This is **not** part of the grading. Data will only be used for internal knowledge building which can ultimately lift the quality building. Your assessment is one among many quality assurance measures and will be highly appreciated.

## 1 How to:

In the Digital Exam module, you will find a link to a Microsoft form.

Please go to **"Show exam information"** and then go to **"AOL - Assurance of Learning"**

Example from BSc in International Business:

The screenshot shows the CBS Digital Exam interface. At the top, it says 'CBS COPENHAGEN BUSINESS SCHOOL HANDELSHØJSKOLEN' and 'digital eksamen DE'. Below that, it says 'My exams / International Business Thesis (BINBO1143E) - Oral exam based on written product'. The main heading is 'International Business Thesis (BINBO1143E) - Oral exam based on written product'. There are two buttons: 'Show exam information' (highlighted in yellow) and 'Show details for all hand-ins'. Below the heading, there are several filters and actions: 'All students' (dropdown), 'Download all hand-ins' (button), 'Export students' (button), 'Submit joint feedback' (button), and 'Submit assessments' (button). At the bottom, there are several tabs: 'Group name', 'Plagiarism status', 'Hand-in', 'Grade', 'Notes', 'Feedback', and 'Status'.

## 2

The form is an online form. You will get the best flow, if you have the form on your mobile or IPAD/ Tablet.

The form should be accessed and completed after the students' oral exam, as the evaluation is for the entire bachelor project / master thesis.

**We hope for your support and are looking forward to your contributions.**
