

Welcome to CBS' evaluation of the academic year 2015/2016

Evaluation of the past academic year

This is the evaluation of the academic year 2015 - 2016. This questionnaire is divided into sections, each one dealing with a different topic but all sections concern the past academic year. You will be able to comment on each topic and at the end of the survey you will have the opportunity to submit additional comments.

The purpose of the evaluation is to secure the quality of teaching at CBS. It will take approximately 6 minutes to complete the survey. The evaluation covers the past academic year of your study programme as a whole. This means that you are not supposed to evaluate individual courses or lecturers, as the in-depth evaluation of courses and lecturers are done separately.

Your evaluation is important to CBS as it provides us with the best basis for continuously improving the programmes. Therefore, it is important that we receive as many responses as possible.

Your entries will be saved as you click through the questionnaire.

Thank you for your feedback.
