

Conference in honor of Niels Westergård-Nielsen

Applied personnel economics – The use of register information

The conference is held in honor of Professor Niels Westergård-Nielsen who has contributed significantly to the economic research, based on data from the Danish administrative registers since 1982 and who turned 70 this summer.

Currently, Niels Westergård-Nielsen serves as member of the Center for Corporate Governance, is director of the Center for Owner-Managed Business and has a chair at CBS.
