

We are pleased to announce that the 13th half-day Copenhagen Education Network workshop will be held CBS on **Wednesday 2 December, 2020**. The workshop is kindly funded by the Novo Nordisk Foundation.

The workshop will run from noon (including lunch) to around 17:30, followed by dinner (if Covid-19 restrictions allow).

The keynote speaker will be Marianne Simonsen from Aarhus University - [https://pure.au.dk/portal/da/persons/marianne-simonsen\(b4eee010-4cbe-4648-8f69-dd6ec3996bd6\).html](https://pure.au.dk/portal/da/persons/marianne-simonsen(b4eee010-4cbe-4648-8f69-dd6ec3996bd6).html). She will talk about the 2016 in Denmark reform regarding social assistance and child outcomes.

Everyone is invited to **submit a paper** or an abstract no later than the **1 November 2020**. Both full paper presentations and shorter presentations of research ideas are encouraged.

Please send the abstract/paper to [bl.eco@cbs.dk](mailto:bl.eco@cbs.dk) and indicate the state of your paper (full paper version/ almost full draft/ very preliminary work/ a new idea).

**Participation** is not conditional on presenting a paper - so if you would like to participate without presenting, please **let us know before 7 November 2020**. To sign up for the workshop please send an email to Birthe Larsen [bl.eco@cbs.dk](mailto:bl.eco@cbs.dk) and please remember to indicate if you are participating in the dinner, and if you have any dietary restrictions.

The event will be converted to online if Covid-19 restrictions prevent to have the event at CBS.

We are looking forward to seeing you at the CEN-workshop in December 😊.

Best regards

Fane, Lisbeth and Birthe
