Currently

Postdoc Research Fellow in Behavioral and Experimental Economics - Copenhagen Business School, 2021 – ongoing.

Education

PhD in Behavioral and Experimental Economics - University of Copenhagen, 2018 – 2021.
Dissertation Title: Behavioral Economics in Action: different experimental approaches to investigating behaviors in social and personal contexts.

Master of Science, Environmental and Natural Resources Economics, University of Copenhagen, 2016 – 2018.

Thesis Title: Making Public Policy with Private Politics – final score 12/12

BSc, Economics and Management, University of Padova, 2013 – 2016.

Thesis Title: Global warming and CO2 emissions peak – final score 108/110

Previous Employment and Education

Research Assistant, University of Copenhagen, Summer 2018

Student Assistant, University of Copenhagen, Spring 2018

Exchange Program, Economics, Université Paris 1 Panthéon – Sorbonne, 2015 - 2016

International Summer University Program, Copenhagen Business School, 2013

Diploma in Foreign Languages, I.I.S. Marchesi Fusinato, Padova, 2008 – 2013

Extra

Editor & Writer – Duegradi, January 2019 – ongoing - <https://www.duegradi.eu/>

Creator – Comportamente, 2020 - <http://bit.ly/comportamente>

Academic Papers and ongoing projects

Do people respond to the climate impact of their behavior? The effect of carbon footprint information on grocery purchases. - *with Toke Fosgaard and Sally Sadoff*

Sustained Decline in Cigarette Smoking During COVID-19. - *with Toke Fosgaard and Sally Sadoff*

Information acquisition and cognitive processes during strategic decision-making: combining a policy-capturing study with eye-tracking data. - *with Beverly Tyler, Toke Fosgaard, Karin Beukel.*

Bridging the divide between industry and academic scientists. - *with Beverly Tyler, Toke Fosgaard, Karin Beukel.*

Conference, Seminar and Workshop Presentations

Behavioral and Experimental Economics UCSD internal seminar

University of California, San Diego (zoom), 18/11/2020.

Presentation Title: *Information provision and consumer behavior: does awareness makes us greener?*

Workshop: The Copenhagen Network of Experimental Economics

University of Copenhagen, 07/10/2020 – presenter

CNEE - Copenhagen Network of Experimental Economics workshop

University of Copenhagen, 27/05/2020 – presenter

Conference: Behavioral and Experimental Economics Network (BEEN)

Università degli Studi di Verona, 14/02/2020 – presenter

Conference: Markets & Sustainability Symposium

University of Groningen, NH, 24-25/01/2020

Presentation Title: *Information provision and consumer behavior: does CO2 emission awareness make us more climate friendly?*

ESA conference: Economic Science Association 2019

Loyola Marymount University and University of Southern California, L.A. (CA), 10-13/10/2019

Presentation Title: *Attention to Detail: Practicing Scientists' and Students' Information Processing and Focus of Attention in a Policy Capturing Study Using Eye-Tracking.*

Workshop: Behavioral Economics at the beach

Tisvildeleje, 14-15/08/2019

Presentation Title: *Will consumers buy more climate friendly if they are provided with information about foods' emission of greenhouse gasses?*

Workshop: The Copenhagen Network of Experimental Economics

University of Copenhagen, 04/06/2019

Presentation Title: *Standing by default. Experimental Design.*

Seminar: IFRO Behavioral Economics Seminars

University of Copenhagen, 09/01/2019.

Presentation Title: *Policy Capturing feat. Eye-tracking: a cognitive perspective. Results.*

Seminar: IFRO Behavioral Economics Seminars

University of Copenhagen, 09/01/2019.

Presentation Title: *Policy Capturing feat. Eye-tracking: a cognitive perspective. Data Collection.*

Workshop: The Copenhagen Network of Experimental Economics

University of Copenhagen, 15/11/2018.

Presentation Title: *Policy Capturing feat. Eye-tracking: a cognitive perspective. Design and Pilot.*

Workshop: Experimental Economics meets Statistical Physics

Niels Bohr Institute, University of Copenhagen, 04/05/2018 (attendance only).

Teaching: Behavioral and Experimental Economics (graduate level course) – Course Responsible:

Toke Fosgaard - University of Copenhagen, Fall 2019.

Teaching: Behavioral and Experimental Economics (graduate level course) – Course Responsible:

Toke Fosgaard - University of Copenhagen, Fall 2019.

Courses

Ph.D. course in “Experimental Economics”, Paris School of Economics, 24/06 - 28/06/2019

Ph.D. course in “The Art of Scientific Writing”, University of Copenhagen, 29/03 - 20/05/2019

Ph.D. course in “Introduction to University Pedagogy”, University of Copenhagen, 20 - 24/05/2019

Ph.D. course in “Responsible Conduct of Research”, University of Copenhagen, 09/04/2019

Ph.D. course in “Behavioral Economics and Public Policy”, University of Copenhagen, 11/03-16/03/2019

Academy in Biometrics, iMotions – Copenhagen, 14/01 – 18/01/2019

Ph.D. course in “Field Experiments”, University of Copenhagen, 17 - 21/09/2018

Languages and Programs

Italian (MT) English (C1) French (C1) Spanish (B2) Danish (A1)

IELTS (8/9), British Council, 2016

Stata (very good command)

R (good command)

LaTeX programs (good command)

Microsoft Office and Adobe Programs user

Photoshop and Lightroom user

Soft skills and applied experience

Applied:

Experimental research idea development

Experiment execution

Data controller and processor - management, cleaning, fixing

Statistical analysis

Communication:

Verbal - lecturing and presenting in public

Written - academic writing and newspaper articles

Teamwork:

Cooperation and listening

Problem solving and time/stress management

Work-ethic:

Empathic, determined, ambitious

Self-motivated and organized

Creative and questioning
