

CV for René Taudal Poulsen

Updated January 21, 2021

Education

Nov. 2005 PhD in history, University of Southern Denmark
Mar. 2002 MA in history and IT for cultural historians, University of Southern Denmark, Esbjerg
Jun. 1999 BA in history, University of Aarhus

Current and past positions

2019- Program Director, BSc program in International Shipping and Trade, Copenhagen Business School
2018- Associate professor, Department of Strategy and Innovation, Copenhagen Business School
2012-2018 Associate professor, Department of Innovation and Organizational Economics, Copenhagen Business School
2010-2011 Associate professor, Department of Environmental and Business Economics, University of Southern Denmark
2009-2010 Head of studies, Master in Transport and Maritime Management, University of Southern Denmark
2007-2010 Assistant professor, Department/Centre of Maritime Research and Innovation, University of Southern Denmark
2006-2007 Post doc, Department of Maritime Research and Innovation, University of Southern Denmark
2005-2006 Research assistant, Centre for Maritime and Regional Studies, University of Southern Denmark
2002-2005 Ph.D. fellow, Centre for Maritime and Regional Studies, University of Southern Denmark (supervised by Professor Poul Holm)
1999 Research assistant, Centre for Maritime and Regional History, Fisheries and Maritime Museum, Esbjerg

Other past and present activities

2020 Advisory board member for research project "Hur realiserar man den mest energieffektiva fartygsresan i praktiken?" [How to optimize vessel voyages and achieve energy efficiency?], Lean Marine AB, Chalmers University of Technology, Linneaus University and Gothenburg School of Economics.
2019- Study board chair, BSc in International Shipping and Trade, Copenhagen Business School
2018- Advisory board member for Trazepo, a research project on the potential for transitions towards zero-emission ports, conducted by a team of researchers at Sintef, Norway under the leadership of Markus Steen, Senior Researcher.

2018-2017-	Deputy shop steward, Department of Strategy and Innovation, Copenhagen Business School
	Advisory board member for a research project on the recent history of Bergen shipping. The project is conducted by Professor Stig Tenold, Norwegian School of Economics, Bergen
2016-19	Study board member, BSc in International Shipping and Trade, Copenhagen Business School
2015-18	Advisory board member for a research project on voluntary greenhouse gas emission reduction in the shipping industry. The project is conducted by Assistant professor Beatriz Martinez Romera, Law Department, University of Copenhagen
2015-18	Shop steward for the Department of Innovation and Organizational Economics, Copenhagen Business School
2014-16	Member of the organizing committee for the 7 th International Congress of Maritime History, Perth, Australia, 2016
2013-14	Advisory board member for the research project "History of Odense Steel Shipyard". The project was conducted by a group of app. 10 researchers at Odense City Museums under leadership of Jens Toftgaard, Head of Cultural Heritage.
2013	Member of editorial board, <i>AMET Maritime Journal</i>
2012	Consultant to the Danish Maritime Authority and the Danish Ministry of Business and Growth, authoring of a report for the Secretariat for the Growth Team for the Blue Denmark
2012-16	Secretary of the Executive Board of the International Maritime Economic History Association
2011-12	Member of the Editorial Board of the <i>International Journal of Maritime History</i>
2009-10	Member of the organizing committee for the Blue Conference 2009 and 2010, University of Southern Denmark
2006-12	Member of the editorial team for the journal <i>Mercator</i>

PhD dissertation	“Odense Staalskibsværft 1918-2012 – et teknologisk førende værft nationalt og internationalt?” Phd dissertation defended by René Schrøder Christensen, Department of History, University of Southern Denmark, Odense, April 15, 2016
Other peer review	Accreditation of MSc program on behalf of Cyprus Agency for Quality Assurance and Accreditation in Higher Education, Nicosia, Cyprus, October 2019
	Papers assessed for the program to the International Maritime Economist Association’s (IAME) annual conference, Mombasa, Kenya, 2018
	Papers assessed for the program to the 7 th International Congress of Maritime History, Perth, Australia, 2016
	Abstract assessed for the program of the World Maritime Technology Conference (WMTC 2021), Copenhagen, 2021
	Research project applications assessed for Den Danske Maritime Fund/The Danish Maritime Fund, 2015 and 2017
	Norwegian history journals (published during the period 2009-10) assessed for the Research Council of Norway, 2011

Participation in research programmes and research networks

2021-	Public Actors’ Capacities in the Governance of Green Transitions (CAPACITOR), Copenhagen Business School
2018-	Transition towards zero-emission ports (TRAZEPO), Sintef, Trondheim
2016-	Greening the Maritime Supply Chain, Copenhagen Business School and University of British Columbia
2015-17	History of the Port of Esbjerg, Museum of South West Jutland
2013-14	History of Odense Steel Ship Yard, Odense City Museums
2012-15	Climate challenge to Danish shipping – incentives for reduction of CO ₂ emissions from shipping, Copenhagen Business School

2010-11	History of Maersk Oil and Gas, Fisheries and Maritime Museum and University of Southern Denmark
2009-12	Nordic Shipping History Network, Copenhagen Business School, Norwegian School of Business, University of Oslo, Southern Denmark, Linköping, Uppsala, Iceland and Jyväskylä
2009-11	GONE, Global Operations Networks: Challenges for Danish SME's Competing through Operations, University of Aalborg, University of Southern Denmark, Copenhagen Business School and Chalmers Technical University, Göteborg, Sweden
2006-09	Skatteincitament, rammebetingelser og industriel dynamik i Det Blå Danmark, Copenhagen Business School and University of Southern Denmark
2005-06	EU network of excellence, MarBEF, Marine Biodiversity of Ecosystem Functioning, Centre for Maritime and Regional Studies, University of Southern Denmark
2002-06	North Sea Passenger Lines 1960-2005, Centre for Maritime and Regional Studies, University of Southern Denmark/Fisheries and Maritime Museum
2002-06	CONWOY, Consequences of weather and climate changes for marine and freshwater ecosystems, University of Southern Denmark and University of Copenhagen
2001-06	HMAP, History of the Marine Animal Populations, University of Southern Denmark, University of Hull and University of New Hampshire

Research grants and research project management

2020	The Danish Maritime Fund: Financing for 3 years' associate professorship in maritime economics for Copenhagen Business School's BSc program in International Shipping and Trade. Joint application with Henrik Sornn-Friese, Copenhagen Business School.
2011	The Danish Maritime Fund: Financing for 24 months of full-time research. Project title: Climate challenge to Danish shipping – incentives for reduction of CO2 emissions from shipping, Copenhagen Business School. I acted as project leader and sole researcher for the project.
2010	Fisheries and Maritime Museum, Esbjerg, Denmark: Financing for 6 months of full-time research for a research project on the business history of Maersk Oil and Gas. I acted as project participant under project leader, museum director, Morten Hahn-Pedersen from the Fisheries and Maritime Museum, Esbjerg.
2009	The Strategic Research Council: Financing for 18 months of full-time research for the research project GONE, Global Operations Networks: Challenges for Danish SME's Competing through Operations. I acted as project participant under project leader, associate professor Mogens Rostgaard Nissen, University of Southern Denmark.
2008	The Danish Maritime Fund: Financing for 10 months of full-time research on the project Skatteincitament, rammebetingelser og industriel dynamik i Det Blå Danmark. I was co-author of the research application. The project was lead by project leader, associate professor Henrik Sornn-Friese, Copenhagen Business School.
2007	Iver. C. Weilbach's Fund: Financing for 7 months for book project on the history of Iver C. Weilbach & Co. I acted as project leader and sole researcher for the project.

In total DKK 5.7 mio.

Dissemination at practitioner conferences

1. Conference presentation with the title “A swift turnaround? Port call optimization to abate emissions”, held at Green Ship Technology conference, Copenhagen, March 11, 2020.
2. Conference presentation with the title “The value of emissions data collection in shipping: To what extent are MRV and DCS data contributing to environmental improvements in ship operations?”, held at Green Ship Technology conference, Copenhagen, March 20, 2019. Jointly presented with Judith van Leeuwen.
3. Conference presentation with the title “Die historische Dimension der Digitalisierung und ihre Auswirkung auf das maritime Personalmanagement”, held at the 12th Bremer Schifffahrtkongress, Bremen, Germany, June 12, 2018.
4. Conference presentation with the title “How can low carbon shipping become highly profitable?”, held at the conference Global climate challenge: Shipping’s fair share, Copenhagen, November 22, 2017.
5. Conference presentation with the title “The role of ports for a sustainable maritime supply chain”, held at the Green Ship Technology 2017 conference in Copenhagen, March 22, 2017. Jointly presented with Henrik Sornn-Friese.

6. Conference presentation with the title "What will green shipping?," held at a workshop on Nordic Action for a Transformation to Low-carbon Shipping, Malmö, Sweden, December 13, 2016.
7. Conference presentation with the title "Why shipping industry is lagging behind in terms of sustainability?" held at the Sustainable Shipping Seminar, Turku, Finland, May 17, 2016.
8. Key-note lecture with the title "The role of cargo-owners in supply chain governance and the greening of international shipping" held at the Green Ship Technology 2015 conference in Copenhagen, March 11, 2015. Jointly with Jane Lister and Stefano Ponte.
9. Panel discussion with the title "Fuel Monitoring & Performance Management: Assessing the Most Cost-Effective Choices of the Latest Technologies & Fuels Available on the Market" held at the 2nd Energy Efficiency in Shipping 2015 conference, London, UK, November 10, 2015.
10. Presentation with the title "Is costly training necessary?" held at the Danish Shipping and Ship Management Conference, Copenhagen, October 6, 2015.
11. Key-note lecture with the title "How do national shipping policies influence shipping company competitiveness?" held on the Stockholm Maritime Day, Stockholm, Sweden, 2014, on October 9, 2014.
12. Guest lecture with the title "Energy monitoring practices in shipping companies" held at Lighthouse, Chalmers University of Technology, Gothenburg, Sweden on April 7, 2014.
13. Presentation with the title "Enhancement of energy efficiency in ship operations - results from a business school research project" held at the Digital Ship Scandinavia conference in Bergen, Norway on March 5, 2014.
14. Presentation and panel discussion with the title "Enhancement of energy efficiency in ship operations – experiences and new ways ahead" held at the Green Ship Technology 2014 conference in Oslo, Norway on March 20, 2014. Co-organized with head of department, Mogens Schrøder Bech from the Danish Maritime Authority.
15. Presentation with the title "Enhancing energy efficiency - barriers and enablers" held at the Lloyd's Maritime Academy's conference Management of Air Emissions from Shipping, in London, UK on September 25, 2013.
16. Guest lecture with the title "Shipping and the environment" held for approximately 140 second year technical school students at Skive Technical Institute (Skive Tekniske Skole, HTX), Skive, Denmark, on October 9, 2013.
17. Key-note lecture with the title "Global Shipping in Small Nations – Nordic experiences after 1960" held at Sveriges Redareförening's seminar Hur kan Sverige bli en sjöfartsnation att räkna med?, Visby, Sweden, July 2, 2013.
18. Key-note lecture with the title "Global Shipping in Small Nations – Nordic experiences after 1960" held at Sveriges Redareförening's seminar Hur står sig svensk sjöfart i ett nordiskt perspektiv, Stockholm, Sweden, March 13, 2013.
19. Presentation with the title "Energy efficiency in shipping – barriers and incentives", held at the Blue Research and Innovation Conference in Svendborg, Denmark on December 6, 2012.
20. Presentation with the title "Dansk færgefart – fortidige forandringer, fremtidige udfordringer", held at Short sea shipping network meeting, Copenhagen, September 17, 2012.
21. App. 30 presentations at various practitioner conferences, 2005-11

Visits to Danish and foreign research and educational institutions

Jan.-Dec. 2011	Center for Business History, Copenhagen Business School
Feb./Apr. 2010	Centre for Industrial Production, University of Aalborg
Apr. 2009	Føroya Handelsskúli, Tórshavn, Faroe Islands
Nov. 2008	Alpen-Adria Universität Klagenfurt, Vienna, Austria
Oct-Nov. 2004	University of New Hampshire, Durham, New Hampshire, USA

University courses taught

1. Internship 2, BSc in International Shipping and Trade, Copenhagen Business School, sixth semester (7.5 ECTS), 2019-20, Interdisciplinary workshop on challenges for maritime companies and organizations, organized jointly with Svendborg International Maritime Academy.
2. World Maritime History, Major in Global Study and Maritime Affairs, Vietnam Maritime University, Haiphong, Vietnam (30 hrs. in the class room), 2017: Global history of the business and politics of the shipping industry from the 19th century to the 21st century.
3. Advanced Maritime Economics, BSc in International Shipping and Trade, Copenhagen Business School, fifth semester (7.5 ECTS), 2016-20: Key aspects of shipping company competitiveness and advanced research methods within maritime economics.
4. Creating and Capturing Value in Global Maritime Markets, Copenhagen Business School, MSc in Economics and Business Administration, third semester (7.5 ECTS), 2015: Servitization for manufacturing firms, focusing specifically on marine equipment manufacturers.
5. Developments in International Shipping, Copenhagen Business School, MSc in Economics and Business Administration, third semester (7.5 ECTS) , 2012-17: Economics, management and politics of international shipping.
6. Introduction to Maritime Economics, Copenhagen Business School, BSc in International Shipping and trade, first semester, (7.5 ECTS), 2014-20: Introduction to the international business of shipping, maritime economics and maritime policy.
7. Maritime Innovation and Entrepreneurship, Copenhagen Business School, MSc in Economics and Business Administration, third semester (7.5 ECTS), 2013: Application of innovation and entrepreneurship theories to the study of maritime industries.
8. Masters' Dissertation seminar sessions, University of Southern Denmark, Master in Transport and Maritime Management, fourth semester (3 ECTS), 2010: Discussion and supervision of master students' theses.
9. Environmental History of Aquatic Socioecological Systems, Alpen-Adria University, Vienna, Austria (14 hours in class room), 2008: A specialised course on marine environmental history for PhD and MSc students in environmental management program.
10. Introduction to Research Methods in Social Sciences, Master in Transport and Maritime Management, University of Southern Denmark, first semester (2 ECTS), 2008: Introduction to quantitative and qualitative research methods within social sciences.
11. European Society and Culture, Cand. Negot. in tourism and hotel management, University of Southern Denmark (5 ECTS), 2006-08: General course on European history from 1500 to the present.

12. Social Science for Historians, BA in history, University of Southern Denmark (10 ECTS), 2007-09: Introducing the disciplines of sociology, economics and political science to history students.
13. Maritime History, BA in history, University of Southern Denmark (10 ECTS), 2002: A specialised course on the history of shipping, fisheries and other maritime industries.
14. World History, BA in history, University of Southern Denmark (10 ECTS), 2003-06: A general course on world history from 1500 to the present.

External teaching

1. Copenhagen School of Marine Engineering and Technology Management, Copenhagen, Denmark, 2020
2. Vietnam Maritime University (Vimaru), Haiphong, Vietnam, 2017
3. Danish Technical University (DTU), Lyngby, Denmark, 2015
4. World Maritime University (WMU), Malmö, Sweden, 2014
5. Norwegian School of Economics (NHH), Bergen, Norway, annually, 2013-20
6. Uppsala University (UU), Uppsala, Sweden, 2012
7. Alpen-Adria Universität Klagenfurt, Vienna, Austria, 2008
8. Svendborg Maritime Academy (SIMAC), Svendborg, Denmark, 2008 and 2016
9. Business Academy Sydvest/Rybners, Esbjerg, Denmark, annually, 2005-14

Prizes

Best paper at the 16th Annual EBHA Conference (European Business History Association)/1st Joint Conference with BHSJ (Business History Society of Japan), Paris, France, 2012 with Kristoffer Jensen. Paper title: Fibres of History: The Transformation of the Danish Fashion Industry and the Emergence of Global Value Chains, 1970-2010.

Research result of the year 2009/Årets Danske Forskningsresultat 2009 with Bo Poulsen, Poul Holm, Brian R. MacKenzie, Anne Husum Marboe, Margit Eero, and Maibritt Bager for results from the research project History of Marine Animal Populations. Elected by the readers of Videnskab.dk.
