

## Guide to DR License

DR (Danmarks Radio) License is also called media license. Everybody who resides in Denmark and has a CPR number must pay this license if they have access to the internet for instance through a television, smart phone or tablet.

As an exchange student you must register as soon as you have received your CPR number. Since you are only in Denmark for a short time you might not get a bank account and this complicates matters a bit.

Below is a guide on how to register and pay the media license:

- Go to DR's license homepage: [http://www.dr.dk/om\\_dr/licens/Sprog](http://www.dr.dk/om_dr/licens/Sprog)
- Press 'Contact DR License' **NOT** 'Register Now'

- Then press '[Kontakt DR Privatlicens](#)'
