

Guide to DR License

DR (Danmarks Radio) License is also called media license. Everybody who resides in Denmark and has a CPR number must pay this license if they have a television or if they have access to the internet for instance via their computer, smart phone or tablet.

As an exchange student you must register as soon as you have received your CPR number. Since you are only in Denmark for a short time you might not get a bank account and this complicates matters a bit.

Below is a guide on how to register and pay the media license:

-  Go to DR's license homepage '<http://www.dr.dk/om-dr/licens>'
-  Press Licens in English '<http://www.dr.dk/om-dr/licens/licens-english/licens-english>'
-   **Licens in English**
- Press 'Contacting DR Licence' '<http://www.dr.dk/om-dr/licens/contacting-dr-licence>'
