

Dear colleagues,

Mykolas Romeris University (Vilnius, Lithuania) with the support of the Lithuanian Ministry of Foreign Affairs is organizing an international conference on human rights and business issues on 23 May 2019.

The event will take place very soon and of course we are aware of the fact that the agenda of yours could be booked for the spring period already. Nevertheless, we would like to invite you to contribute to our conference with a presentation regarding business and human rights in general or to address specific topic regarding implementation of the UN guiding principles. Lithuania is planning to update its National Action Plan on Business and Human Rights this year, so we are interested if other countries face the same problems and what are/could be the solutions.

We will encourage also the speakers to publish their contributions in the International Comparative Jurisprudence – an open-access and peer reviewed journal published by our university.

If you have any questions – feel free to contact me via email arnas.liauksminas@mruni.eu. The deadline for application is 30 April 2019.

With best regards,

Arnas Liauksminas
