Uttam, K. 2011. "Linking environmental impact assessment and green procurement in the construction sector - opportunities and perspectives", Trita-LWR. LIC ISSN: ; 2060, *Licentiate Thesis*, KTH Royal Institute of Technology.

Kedar Uttam

Reviewer Experience

Reviewed over 5 manuscripts for Journal of Cleaner Production, Natural Resources Forum and Environment, Development and Sustainability. These manuscripts were based primarily on sustainable procurement and multi-stakeholder collaboration. In these reviews, I provided critical and constructive comments and suggestions to improve the manuscripts together with recommendations on whether or not to accept the manuscript(s) for publication.
