

CV for René Taudal Poulsen

Updated February 6, 2018

Copenhagen Business School

Department of Innovation and Organizational Economics

Kilevej 14a, 3rd floor, office K.3.55

2000 Frederiksberg, Denmark

Tel.: +45 3815 3021

E-mail: rtp.ino@cbs.dk

Education

- Nov. 2005 PhD history, University of Southern Denmark
- Mar. 2002 MA history and IT for cultural historians, University of Aarhus, University of Göteborg, Sweden and University of Southern Denmark, Esbjerg
- Jun. 1999 BA history, University of Aarhus

Current and past positions

- 2012- Associate professor, Department of Innovation and Organizational Economics, Copenhagen Business School
- 2010-2011 Associate professor, Department of Environmental and Business Economics, University of Southern Denmark
- 2009-2010 Head of studies, Master in Transport and Maritime Management, University of Southern Denmark
- 2007-2010 Assistant professor, Department/Centre of Maritime Research and Innovation, University of Southern Denmark
- 2006-2007 Post doc, Department of Maritime Research and Innovation, University of Southern Denmark
- 2005-2006 Research assistant, Centre for Maritime and Regional Studies, University of Southern Denmark
- 2002-2005 Ph.D. fellow, Centre for Maritime and Regional Studies, University of Southern Denmark under Professor Poul Holm's supervision
- 1999 Research assistant, Centre for Maritime and Regional History, Fisheries and Maritime Museum, Esbjerg

Other past and present activities

- 2017- Advisory board member for a research project on the recent history of Bergen shipping. Project conducted by Professor Stig Tenold, Norwegian School of Economics, Bergen
- 2016- Study board member, BSc in International Shipping and Trade, Copenhagen Business School
- 2015- Advisory board member for a research project on voluntary GHG emission reduction in the shipping industry. Project conducted by Assistant professor Beatriz Martinez Romera, University of Copenhagen

2015-	Shop steward, Department of Innovation and Organizational Economics, Copenhagen Business School
2014-16	Member of organizing committee, 7 th International Congress of Maritime History, Perth, Australia, 2016
2013-14	Advisory board member for research project History of Odense Steel Shipyard. Project conducted by Odense City Museums under leadership of Jens Toftgaard, Head of Cultural Heritage
2013	Member of editorial board, AMET Maritime Journal
2012	Consultant to Danish Maritime Authority and Danish Ministry of Business and Growth (author of a report for the Secretariat for the Growth Team for the Blue Denmark)
2012-16	Secretary of Executive Board, International Maritime Economic History Association
2011-12	Member of Editorial Board, International Journal of Maritime History
2009-10	Member of conference organizing committee, The Blue Conference 2009 and 2010, University of Southern Denmark
2006-12	Member of editorial team, Mercator

Peer review

Journals	Business History Review Energy Research & Social Science Environment, Development and Sustainability Fabrik og Bolig International Journal of Maritime History Journal of Cleaner Production Mariner's Mirror Maritime Policy and Management Ocean Yearbook Scandinavian Economic History Review Transportation Research Part D Transportation Research Part E
Publishers	Routledge, UK Palgrave MacMillan, UK Akademika Forlag, Norway International Centre for Trade and Sustainable Development, Geneva, Switzerland
PhD dissertation	"Odense Staalskibsværft 1918-2012 – et teknologisk førende værft nationalt og internationalt?" by René Schrøder Christensen, Department of History, University of Southern Denmark, Odense, April 15, 2016
Other peer review	Papers for 7 th International Congress of Maritime History, Perth, Australia, 2016 Project applications for Den Danske Maritime Fund/The Danish Maritime Fund, 2015 and 2017 Norwegian history journals (published in 2009-10) for the Research Council of Norway, 2011

Participation in research programmes and research networks

2016-	Greening the Maritime Supply Chain, Copenhagen Business School and University of British Columbia
2015-17	History of the Port of Esbjerg, Museum of South West Jutland
2013-14	History of Odense Steel Ship Yard, Odense City Museums
2012-15	Climate challenge to Danish shipping – incentives for reduction of CO ₂ emissions from shipping, Copenhagen Business School
2010-11	History of Maersk Oil, Fisheries and Maritime Museum and University of Southern Denmark
2009-12	Nordic Shipping History Network, Copenhagen Business School, Norwegian School of Business, University of Oslo, Southern Denmark, Linköping, Uppsala, Iceland and Jyväskylä
2009-11	GONE, Global Operations Networks: Challenges for Danish SME's Competing through Operations, University of Aalborg, University of Southern Denmark, Copenhagen Business School and Chalmers Technical University, Göteborg, Sweden
2006-09	Skatteincitamerter, rammebetingelser og industriel dynamik i Det Blå Danmark, Copenhagen Business School and University of Southern Denmark
2005-06	EU network of excellence, MarBEF, Marine Biodiversity of Ecosystem Functioning, Centre for Maritime and Regional Studies, University of Southern Denmark
2002-06	North Sea Passenger Lines 1960-2005, Centre for Maritime and Regional Studies, University of Southern Denmark/Fisheries and Maritime Museum
2002-06	CONWOY, Consequences of weather and climate changes for marine and freshwater ecosystems, University of Southern Denmark and University of Copenhagen
2001-06	HMAP, History of the Marine Animal Populations, University of Southern Denmark, University of Hull and University of New Hampshire

Research grants

2011	The Danish Maritime Fund (24 months)
2010	Fisheries- and Maritime Museum (6 months)
2009	The Strategic Research Council (18 months)
2008	The Danish Maritime Fund (10 months)
2007	Iver. C. Weilbach's Fund (7 months)

In total, DKK 3.9 mio.

Dissemination at practitioner conferences

1. Conference presentation with the title How can low carbon shipping become highly profitable?, held at the conference Global climate challenge: Shipping's fair share, Copenhagen, November 22, 2017.
2. Conference presentation with the title The role of ports for a sustainable maritime supply chain, held at Green Ship Technology 2017 conference in Copenhagen, March 22, 2017. Jointly with Henrik Sornn-Friese.
3. Conference presentation with the title What will green shipping?, held at Workshop on Nordic Action for a Transformation to Low-carbon Shipping, Malmö, Sweden, December 13, 2016.
4. Conference presentation with the title Why shipping industry is lagging behind in terms of sustainability?" held at Sustainable Shipping Seminar, Turku, Finland, May 17, 2016.
5. Key-note lecture with the title The role of cargo-owners in supply chain governance and the greening of international shipping" held at the Green Ship Technology 2015 conference in Copenhagen, March 11, 2015. Jointly with Jane Lister and Stefano Ponte.
6. Panel discussion with the title Fuel Monitoring & Performance Management: Assessing the Most Cost-Effective Choices of the Latest Technologies & Fuels Available on the Market" held at 2nd Energy Efficiency in Shipping 2015 conference, London, UK, November 10, 2015.

7. Presentation with the title "Is costly training necessary?" held at Danish Shipping and Ship Management Conference, Copenhagen, October 6, 2015.
8. Key-note lecture with the title "How do national shipping policies influence shipping company competitiveness?" held on Stockholm Maritime Day, Stockholm, Sweden, 2014, on October 9, 2014.
9. Guest lecture with the title "Energy monitoring practices in shipping companies" held at Lighthouse, Chalmers University of Technology, Gothenburg, Sweden on April 7, 2014.
10. Presentation with the title "Enhancement of energy efficiency in ship operations - results from a business school research project" held at the "Digital Ship Scandinavia" conference in Bergen, Norway on March 5, 2014.
11. Presentation and panel discussion with the title "Enhancement of energy efficiency in ship operations – experiences and new ways ahead" held at the "Green Ship Technology 2014" conference in Oslo, Norway on March 20, 2014. Co-organized with head of department, Mogens Schrøder Bech from the Danish Maritime Authority.
12. Presentation with the title "Enhancing energy efficiency - barriers and enablers" held at Lloyd's Maritime Academy's conference "Management of Air Emissions from Shipping", in London, UK on September 25, 2013.
13. Guest lecture with the title "Shipping and the environment" held for approximately 140 second year technical school students at Skive Technical Institute (Skive Tekniske Skole, HTX), Skive, Denmark, on October 9, 2013.
14. Key-note lecture with the title "Global Shipping in Small Nations – Nordic experiences after 1960" held at Sveriges Redareförening's seminar "Hur kan Sverige bli en sjöfartsnation att räkna med?", Visby, Sweden, July 2, 2013.
15. Key-note lecture with the title "Global Shipping in Small Nations – Nordic experiences after 1960" held at Sveriges Redareförening's seminar "Hur står sig svensk sjöfart i ett nordiskt perspektiv", Stockholm, Sweden, March 13, 2013.
16. Presentation with the title "Energy efficiency in shipping – barriers and incentives", held at the Blue Research and Innovation Conference in Svendborg, Denmark on December 6, 2012.
17. Presentation with the title "Dansk færgesfærte – fortidige forandringer, fremtidige udfordringer", held at Short sea shipping network meeting, Copenhagen, September 17, 2012.
18. App. 30 presentations at various practitioner conferences, 2015-11

Visits to Danish and foreign research and educational institutions

Jan.-Dec. 2011	Center for Business History, Copenhagen Business School
Feb./Apr. 2010	Centre for Industrial Production, University of Aalborg
Apr. 2009	Føroya Handelsskúli, Tórshavn, Faroe Islands
Nov. 2008	Alpen-Adria Universität Klagenfurt, Vienna, Austria
Autumn 2004	University of New Hampshire, Durham, New Hampshire, USA

External teaching

2017	Vietnam Maritime University (Vimaru), Haiphong, Vietnam.
------	--

2015	Danish Technical University (DTU), Lyngby, Denmark
2014	World Maritime University (WMU), Malmö, Sweden
2013-17	Norwegian School of Economics (NHH), Bergen, Norway
2012	Uppsala University (UU), Uppsala, Sweden
2008	Alpen-Adria Universität Klagenfurt, Vienna, Austria
2008 and 2016	Svendborg Maritime Academy (SIMAC), Svendborg, Denmark
2005-14	Business Academy Sydvest/Rybners, Esbjerg, Denmark
