

The Housing Application and Allocation Process

 The CBS housing department has access to seven student residences. You can only apply for these using the CBS Housing on-line application process.

A link to the Housing Application and Allocation process will be sent via email to your CBS email address only.*

Use the link to apply for a room in a student residence.

Note: You can only prioritise your residence preferences and choose a single or shared room, or a large, medium or small room. It is not possible to choose a particular room.

-  Information about the individual residences can be found on the Accommodation webpage under the heading **Student Residences**.
-  The application process is on a first come, first served basis.
-  It will not be possible to change your room or your residence after you have accepted a room and paid for it.
-  The CBS Housing Department facilitates access to rooms in privately- owned dorms.
-  The CBS Housing Department does not receive any payments and therefore cannot refund deposits.
-  Students must abide by the rules laid down by the dorm owners or administrators.
-  The CBS Housing Department is not responsible for dorm maintenance, damages, replacement of items, faults or repairs. Information about who to contact in these cases are included in the Welcome Package, which you will receive on arrival.

*** ISUP students will be sent the link to their own email address.**
