01.09.2013 – 31.12.2021	Clean Cargo Working Group (now Clean Cargo Initiative), "Maritime Container Emissions Performance Analysis" (pro-bono).

## MEMBERSHIP TO PROFESSIONAL ASSOCIATIONS

Member of International Association of Maritime Economists (IAME); World Conference of Transportation Research (WCTR); Strategic Management Society (SMS); European Academy of Management (EURAM); World Association for Waterborne Transport Infrastructure (PIANC); Academy of Management (AOM). Between July 2014 and September 2022 (8 years) I have been Council Member of the International Association of Maritime Economists (IAME) and Between January 2019 and December 2022 (4 years) Secretary of the Association.

## TEACHING AND THESIS SUPERVISION EXPERIENCE

In the past 20 years I have taught a variety of courses at bachelor and master level both at **my home institution** as well as **other institutions** (Bocconi University; University of Reading/ALBA Business School; Erasmus University Rotterdam; University of Antwerp; World Maritime University; National University of Singapore; Singapore Management University). This is a selection of the courses I taught: Managerial Economics; Advanced Topics in Logistics; Seminar in Management; Project Management; Maritime Logistics; Port Management; Transport Economics and Policy; Transport and Regional Economics; Sustainability; Research Methods; Sustainability and Port Innovation. In addition, I have considerable experience with **Executive Education Programs**. A teaching statement and portfolio is available.

**Thesis Supervision:** about 144 Master's and Bachelor's theses.

**PhD Supervision:** Given the temporary nature of my current contract I am not supervising any PhD students at the moment. I have experience with supervising directly several students, including Vasileios Kosmas who successfully graduated at Copenhagen Business School, and Christopher Dirzka, who is currently employed at CBS.
