

## CV - STINE JESSEN HAAKONSSON

### Work:

Department of Organization  
Copenhagen Business School  
E-mail: stha.ioa@cbs.dk

### Private:

Palnatokesgade 1, 3.tv.,  
1733 København V  
stinejessen@yahoo.com / Tel: 20459745

## PRESENT AND PREVIOUS ACADEMIC APPOINTMENTS

- 2025- Research group leader for 'Research and Innovation in Organizations', IOA.
- 2024 (Fall) Visiting researcher, Stanford University, California.
- 2012- Associate Professor, Department of Organization, Copenhagen Business School, CBS
- 2015- Principal Coordinator, Social Sciences, Sino-Danish Center, SDC, Beijing
- 2015-2018 Programme Director, BA and B.Sc. in European Business, CBS
- 2009-2012 Assistant Professor, Department of Business and Politics, CBS
- 2003-2008 Ph.D. Researcher, DIIS and University of Copenhagen (incl. 2 x maternity leave)
- 2001-2003 Project Researcher, Centre for African Studies, University of Copenhagen
- 2000-2002 Teaching Assistant, Department of Geography, University of Copenhagen

## ACADEMIC QUALIFICATIONS

- 2018 Research Management Course, CBS Executive
- 2011 Assistant Professorship Programme, CBS Teach
- 2008 PhD Economic Geography, Department of Geography, University of Copenhagen
- 2001 M.Sc. Economic Geography, Department of Geography, University of Copenhagen
- 1999 MA Global Political Economy, University of Sussex, UK

## RESEARCH GRANTS AND RESEARCH MANAGEMENT

### PRINCIPAL INVESTIGATOR

- (2025) SDC network funding for new project on 'Criticality and geopolitics', w. Peking University and Tsinghua University, 100.000 DKK.
- (2024) Otto Mønsted internationalization grant, 30.000 DKK
- (2024) Carlsberg Foundation internationalization grant, 95.000 DKK

- (2022) Co-PI Received 429.660 NOK from NordForsk network grant for ‘Nordic Network for Research on International Knowledge Production Relations’. W. NUPI and Lund.
- (2022) Received 1.600.000 DKK for PhD project in SDC on critical minerals and rare earth elements.
- (2022) Received 250.000 DKK for organizing a SDC Research Symposium, Rebild Bakker, November 2022.
- (2019) Received 750.000 DKK from SDC for employing a post-doc in the project “Comparing and linking large science infrastructure projects in China and Europe”. Partners: Huairou Science City, DTU, Lund University and University of Chinese Academy of Sciences.
- (2019) Received 200.000 DKK from SDC for edited book project on “SDC International Science Report: Cooperating for Energy Transition”. Partners: DTU Wind Energy, DTU Management and University of Chinese Academy of Sciences.
- (2018) Received 500.000 DKK from SDC for the collaborative project “Managing global innovation networks (Europe-China). Re-organizing and externalizing innovation in large companies”. Partner: School of Public Policy, Tsinghua University. Co-PI with Rasmus Lema, Aalborg University.
- (2017) Received 1.500.000 from SDC for PhD in a project “Chinese green technology for the world”, partner: University of Chinese Academy of Sciences.
- (2015) Received 100.000 DKK from SDC for the project “Organizing Innovation across Borders: Danish MNCs’ innovation activities in Asia”. Partners: University of Chinese Academy of Sciences (UCAS), Danish Innovation Center in Shanghai, Danish Embassy China.
- (2012-) Received 800.000 DKK from SDC for a collaborative research project “China at the global technological frontier. From follower to path-creator? Scientific and economic diplomacy for sustainable, economic and social development”. Partner: Chinese Academy for Science Technology and Development, Ministry of Science and Technology, Beijing.
- (2010) Received 250.000 DKK from the International Network Programme, Ministry of Science and Technology. Collaborations with Tsinghua University and Zhejiang University.
- (2009) Received 1.500.000 DKK for funding a PhD on Global innovation networks in the wind turbine industry.
- (2002) Received 1.600.000 DKK from DANIDA for Ph.D. project on the pharmaceutical industry in the global economy.

#### CO-APPLICANT AND CO-INVESTIGATOR

- (2023) Received 10.000.000 DKK for the project GETI on green transition in Indonesia. I am Work-package leader of WP 4; PI: Peter Gammeltoft, Department of Economics, Governance and Business, Copenhagen Business School. FFU.

(2020) Received 6.000.000 DKK “Public Actors’ Capacities in the Governance of Green Transitions (CAPACITOR)”. I am Work-package leader of WP 3 on energy. PI: Susana Borrás, Department of Organization, Copenhagen Business School. DFF.

(2014) EU-Opstart Grant for Horizon 2020 application IGNITE, w. S. Borrás. 250.000 DKK.

(2009-2011) Post-doc grant in the EU FP7 project “Impact of Networks, Globalisation, and their Interaction with EU Strategies (ENGINEUS)”

## PRINCIPAL COORDINATOR FOR SOCIAL SCIENCES, SDC

*Sino-Danish Center is a partnership under the Danish Universities and the Danish Ministry of Higher Education and Science. SDC Social Sciences has very strong corporate networks in Denmark and China. I have been appointed Principal Coordinator of Social Science since 2015.*

Being Principal Coordinator involves responsibility for:

- Research management for collaboration between Danish and Chinese universities.
- Ongoing development of guidelines for responsible internationalization in collaboration with Innovation Center Shanghai, Ministry of Higher Education and Science.
- Two successful Social Science double degree Master programmes in Innovation Management (Aalborg University – UCAS) and Public Management and Social Development (CBS – UCAS).
- PhD double degree agreements between seven Danish universities and UCAS for approximately 30 PhD students in social science.
- Networks with industry associations, embassies, companies, and other stakeholders.
- An annual budget of DKK 12-15 million.
- Organizing and strategy processes around Danish research collaboration in China.

## BOARDS AND RESEARCH COUNCILS

(2023-2024) Member of ‘Virksomhedsforum for globale risici’ a cross-ministerial working group with the aim to formulate a new globalization strategy for Denmark.

(2022-) Appointed core member of the Global Innovation Network Programme, Ministry of Higher Education and Science, Denmark.

(2021-2023) Appointed member of the Norwegian Research Council, socio-economic group.

(2021-) Invited member of expert group under the European Commission ‘Knowledge network China’

(2020-2021) Evaluation committee for external evaluation of the PhD School in International Business and Economic Geography, Gothenburg University

(2019-) Member of Nordic Council Roundtable for China Collaboration

(2018-) Appointed member of expert group in Economic Geography, Gothenburg University

(2014-) Appointed member of Trade Policy Forum under the Danish Foreign Ministry

- (2014-2018) Member of the Committee for International Network Grants, Ministry of Science and Technology
- (2013) Background expert group for World Investment Report on Global Value Chains, United Nations Conference for Trade and Development (UNCTAD), Geneva.
- (2008-) Member of The Royal Danish Geographical Society (Det Kongelige Danske Geografiske Selskab)
- (2002-2006) Member of the Danish Technology Council's think tank on globalization of knowledge intensive industries (publication on 'Lille land hvad nu?')
