

DAVID PEREIRA DE CASTRO

International Political Economy | International Business | Sustainable Finance

SUMMARY

I am currently a PhD Fellow at Copenhagen Business School. I have a multidisciplinary background with a research profile in International Political Economy, Global Finance and Corporate Governance. My latest activities have focused on green transition projects and organizational transformations in Multinational Enterprises across Europe and the USA including topics related to global finance, global taxation, global wealth chains, greenwashing, sustainable finance, corporate governance and corporate finance.
