

MARIA JOSEFINA FIGUEROA

Curriculum Vitae (October.2025)

Associate Professor in Energy, Climate Justice, and Sustainability Transitions

Email: mfi.msc@cbs.dk

Maria Figueroa is Associate Professor in Energy, Climate Justice and Sustainability Transitions at the Department of Management Society and Communication at Copenhagen Business School. Her research intersects scholarship from energy transitions, climate justice, urban sustainability science, comparative international politics of climate mitigation, innovation and partnerships for sustainable development. Her research focuses on climate mitigation action and just energy transition and the assessments of drivers, trends and challenges of sustainable low carbon transitions toward sustainable development. Maria has been involved in high level International and European research studies on socio-technology assessment of innovations for climate and sustainability. She has advanced a strong scholarly interdisciplinary research work on drivers and trends for systemic climate justice and sustainability transitions. She specializes in the role toward energy just transition of innovative technologies and business models such as city services and transport electrification, collaborative and sharing economy, circular economy, and smart city solutions. Maria has a record of high impact research publication on interdisciplinary sustainability and climate research. She is part of the expert group joining seven assessment report AR7 of the Intergovernmental Panel on Climate Change (IPCC). She participated as a lead author of the working group three WGIII sixth Assessment report (AR6), as a contributing author to the Special IPCC Report 1.5°C report published 2018; and as Lead author in the 5th Assessment IPCC Report (AR5), published in 2014. She worked as Convened Lead Author in the Sustainability aspects of Energy and Transport of the international project Global Energy Assessment led by the International Institute for Applied System Analysis, Austria (IIASA) and published by Cambridge in 2012. Maria has been also contributor in several large European (Impact of Third Sector as Social Innovation ITSSOIN); and Danish Strategic Research Council funded projects (SUSTAIN Sustainability at national level) and (REBECA on Biofuels and Drivers & Limits). She works as an expert reviewer at the Academy of Science of Finland, and the Swedish Research Council. She does voluntary work with the Academy of Science of Venezuela to produce the country's second report on climate mitigation for sustainable development. She was also part of the expert Advisory Board to the UN Habitat World Report on Cities and Climate Change published in 2024.

EMPLOYMENT

- 2019-current Associate Professor, Department of Management Society and Communication, CBS
- 2016-2019 Assistant Professor, Department of Business and Politics, CBS
- 2010 - 2015 Assistant Professor, Department of Management, Technical University of Denmark
- 2006 - 2010 External Lector, Department of Environment, Technology and Social Studies, Roskilde University, Denmark and Technical University of Denmark
- 2001 - 2006 PhD Researcher, Dept. Environment, Technology and Social Studies, Roskilde University, Denmark
- 1997 - 2001 Environmental Planner, United Nations Collaborating Center on Energy and Environment, Risø National Laboratory, Denmark
- 1994 - 1997 Graduate Research Assistant, Institute of Urban and Regional Development at University of California at Berkeley
- 1989 - 1994 Research Assistant, International Energy Studies Group, Lawrence Berkeley Laboratory Berkeley, California.
- 1986 - 1989 Research Planner, Energy Conservation Division, Ministry of Energy and Mines Venezuela

EDUCATION

Roskilde University, Denmark

Doctor of Philosophy Democratic Politics in Environmental Decision-Making, June 2006.

University of California at Berkeley, U.S.A

Master of Art in City and Regional Planning, 1997

Master of Sciences in Energy and Resources, 1997

Central University of Venezuela,

Specialist in City and Regional Planning, 1988
Simon Bolívar University, Venezuela
B.Sc. in Urban Planning, Simon Bolivar University, Venezuela. 1984

AREAS OF RESEARCH INTEREST

- Interdisciplinary research and framing methods for study of Energy just transition, climate mitigation and sustainability management assessments
- International comparative assessment of climate mitigation and sustainability transitions.
- Analysis of drivers/trends conditions for stability, change and innovation for climate solutions.
- Urban innovation, digitalization and low carbon transitions
- Just Sustainability Transitions, partnerships, non-state actors – democratic participation
- Integrating quantitative assessments tools (life-cycle- circular economy, scenarios, indicators)
- Theoretical frameworks to understanding shared responsibility and justice in low carbon transitions.

TEACHING**Copenhagen Business School, Denmark**

- Co-Director of the Center for Business and Development Studies, CBS
- Coordinator in Master course Fast Tracking Low Carbon Resilient Transitions, Nordic Sustainability and Corporate Social Responsibility, and Corporate Sustainability in Global Supply Chains (current)
- Co-Coordinator of Master level education at Center for Business and Development Studies, Department of Management Society and Communication- CBS -since February 2019
- Academic Coordinator of Copenhagen Sustainability Initiative (COSI). An inter-university academic initiative on Sustainability and Climate transition Challenges. Organized jointly by CBS with Copenhagen University and Technical University of Denmark since Fall2015.
- Coordinator of course Smart City-Urban Challenges as part of the EU-ERASMUS Urban Challenge Program, Copenhagen Business School

Danish Technical University, Denmark

- Lecturer Main Responsible in all aspects (design-content-lecturing) of teaching in course: "Planning and Politics of Sustainable Urban Development, Climate and Transport". Spring semesters 2008 - 2012. Course Syllabus available in Teaching portfolio
- Lecturer in Course: Urban Technology and Management: "Lecturing on Socio-Technical Transportation System Management". Falls 2008, 2009, 2010
- Lecturer in course Sustainable Transport Assessment: Lecture on Tools for Environmental Impact Assessment, 2012

Roskilde University, Denmark

- Co-Responsible-Main Course in "Environmental Policy and the Global Challenge – International, regional and Local Perspectives" Falls 2006, 2007
- Co-Responsible "Master Thesis Seminar. Master on Environmental Policy and the Global

Challenge” Spring 2007.

Supervision PhD and Doctoral Students

Completed:

- Marco Antonini (2025) University of Rome; Muhammad Haseeb (2025) G. D’Annunzio University of Chieti–Pescara, Italy; Cardena Gaitan Carlos (2014) Maastrich University. Florianna Michael (2017) Technological University of Malaysia:

Supervision Master Thesis (also at DTU-Transport and Roskilde University-RUC)

Graduated (list of selected- full list more than 80 at CBS can be provided. Below only highlight thesis supervised at DTU and RUC)

- Marcus Boisen (2025) Mathilde Holmgaard and Laura Mains(CBS 2022) Brianna Stocks and Hilary Kiernan (CBS2019) Noel Brunskov and Diego Veramendi (CBS2019) Kaja Hegstad Lilleng (CBS 2019) Alexander Raknes and Marius Ørum (CBS-2018); Lasse Dallerup (CBS-2018); Julius Møller Mellstrup (2018); Cecilie Katrine Nørgaard Agerbo Hansen and Kristoffer Nordal Rode la Cour (CBS-2018); Phillipe Schuller (CBS-2017); Ileana Vaxevani (CBS-2017); Angelica Rennerfelt (CBS-2017); Karla Aguilar (CBS-2017); Fabio Zechinni (DTU-2013) ; Nicola Rigoni (DTU-2011); Isaac Tsiboe and Ernest Marbell (RUC 2004) and 2008); Emile Tchatcher (RUC-2003); John Scott and Jude Ngoran (RUC 2003).

RESEARCH GRANTS

Principal Investigator: (2023) JETSA: Just Energy Transition in South Africa. Submitted to research in Danida priority countries Window 1 in collaboration with University of Johannesburg

Principal Investigator: (2020) WAPA: Water, Women and Sustainability in Palestine. Submitted to research in Danida priority countries Window 1 in collaboration with Business School at Berziet University in West Bank, Lund University and Roskilde University.

C-Change Sustainable Inclusive Tourism in Tanzania (2019), application was finalist in the Danida priority countries Window 1 application. A collaboration with Business School at Dar es Salam University and Roskilde University.

PD Post Doctoral Research Fellow. (2015-2017) ITSSOIN Impact of third sector as Social Innovation. EU-F7 project grant. Center for Civil Society, Department of Business and Politics, Copenhagen Business School

PD Post Doctoral Research Fellow. (2014-2015) project “SUSTAIN Public private partnerships for Sustainability in Transport funded by Danish Strategic Research Council

PD Post Doctoral Research Fellow. (2009-2013) Shared Project Grant with 7 DTU-Transport researchers. Danish Strategic Research Council. “Drivers and Limits for Transport, Possible Contributors to Climate Change”. DKK 17.741.598

PI Principal Investigator. UNEP UCCEE Grant (1999). Regional Workshop “Deals on Wheels: Sustainable Transport Initiatives in Developing Countries” San Salvador, El Salvador, 28-30 July 1999, Risø National Laboratory. UNEP Collaborating Centre on Energy and Environment. US \$20,000.

GA Graduate Assistant. Research and Travel Grant 1996. Seminar. “Energy and Resources Latin American Studies, University of California at Berkeley. US \$3,000.

RECOGNITIONS

(2025- current) Invited as Review Editor for IPCC Assessment Report 7, Climate Mitigation

(2025) Expert reviewer for the Swedish Research Council for Sustainable Development Formas-
<https://formas.se/en/start-page/about-formas.html>

(2024) International Advisory Board member for UN-Habitat World Cities Report 2024 themed Cities and Climate Action <https://unhabitat.org/wcr/>

(2024-current) Associate Editor Journal Frontiers in Climate Change <https://www.frontiersin.org/>

(2020 current) Member High Level Policy Dialogue Africa-EU AU-EU R&I Partnership on Climate Change and Sustainable Energy of the AU-EU High Level Policy Dialogue on Science https://research-and-innovation.ec.europa.eu/strategy/strategy-research-and-innovation/europe-world/international-cooperation/regional-dialogues-and-international-organisations/eu-africa-cooperation_en

(2020 current) Member of Leadership Council Sustainable Development Solutions Network SDSN Northern Europe Leadership Council <https://www.unsdsn-ne.org/en>

(2024) Expert reviewer for the Research Council for Culture and Society and Research Council for Biosciences, Health and Environment, of the Academy of Science Finland (www.aka.fi/en)

(2019-2022) Selected as Lead Author with International Panel on Climate Change (IPCC) for their sixth assessment report AR6 in the chapter of Trends and Drivers, Working Group III

(2018) Contributed Author to Special Report 1.5°C International Panel on Climate Change IPCC

(2018) Member of Emerald Open Research Advisory Board Sustainable Cities Gateway

(2017-2021) Member of Technical Advisory Panel for UK-DFID Department for International Development sponsored Programme Management Unit for an Applied Research Program in High Volume Low-Carbon Transport in Low Income countries and Cities in Africa and South Asian countries.

(2015) Reviewer of National Transport Climate Report and panellist with the 5th Mexican congress on Climate Research, organized by Autonomous National University, October 2015.

(2010-2014) Lead author by the International Panel on Climate Change (IPCC) for their fifth assessment report AR5 in the chapter on Transport for Working Group III.

(2009-2012) Convenient Lead Author of the Global Energy Assessment working on Knowledge Module 9: Energy End-Use (Efficiency) - Transport and Urban Planning. International Institute for Applied System Analysis (IAASA).

PROFESSIONAL SERVICE AND OTHERS

Service to academic/professional community, journals, presses, and conferences

- Member of International Advisory Board for the World Cities Report 2024 UN Habitat themed Cities and Climate Action

- Member of Expert Review Panel Environmental and Social Science ENVSOC 22 Panel of Finland Academy of Science since 2020
- Member of Leadership Council Sustainable Development Solutions Network SDSN Northern Europe Leadership Council from 2020
- Member High Level Policy Dialogue Africa-EU AU-EU R&I Partnership on Climate Change and Sustainable Energy of the AU-EU High Level Policy Dialogue on Science, since 2020
- Research Fellow at the Institute of Sustainable and Renewable Energy, University of Malaysia, Sarawak 2022-2024
- Co-Academic Director of Master Science Education Center for Business and Development, Copenhagen Business School
- Academic Coordinator of the Copenhagen Sustainability Initiative offering a joint Science, Technology, Business and Society education certificate to students from three Universities in Denmark, Copenhagen University KU, Technological University DTU and Copenhagen Business School CBS.
- Member of CONCITO, Danish Think Tank- Climate Work and the Future of Cities
- Invited as Social Innovation in Environmental Sustainability and Climate Expert to SI-Drive workshop on Social Innovation in Environment-Policy and Foresight in Europe. EU FP7 project SI-Drive March 17th 2017.
- Invited Co-Editor to the Energy System edition of the Journal Current Opinion on Sustainability to be published in April 2013
- Coordinator of the Cross-Cutting Group on Behavior and Climate Change for the Working Group 3 of the WGIII, toward the IPCC 5th Assessment Report (2011-2014)
- Delphi panel of Expert in the project "Urban Energy Cultures" which has a strong focus on future (energy-efficient) urban transport systems for New Zealand. Centre for Sustainability: Agriculture, Food, Energy, Environment (CSAFE). University of Otago, New Zealand (2013-2015)
- Contributor to Chapter for High School Education book: Nielsen, T., Figueroa, M., Gudmundsson H. (2012) Transport and Sustainable Urban Development. Chapter in book "Transport Horisonten" Danish Education Publisher
- Jury in the (2011) final competition of the Alliance for Global Sustainability (AGS) Nordic Engineers for Sustainable Development (NORESD) Chalmers, Centre for Environment and Sustainability SE - 412 96 Gothenburg, Sweden
- Reviewer for the following Journals: *Climate Policy*, *Nature Sustainability*, *Energies*; *International Journal for Sustainable Development & Planning*; *Journal of Management and Sustainability*, *Voluntas*; *Energy Policy*; *Environmental Research Letter*; *Journal Current Opinion in Environmental Sustainability*; *Journal Regional Environmental Change*; *Journal Transport Policy*; *World Conference Transport Research 2018*, 2016; 2015.
- Book reviewer for MIT Press Cambridge Massachusetts, Ashgate

LANGUAGES

Read, write, speak: English, Danish, Spanish (mother tongue)

Read, Basic Speak: Portuguese
